

EACOP MOOC LAUNCH

THE EAST AFRICAN CRUDE OIL PIPELINE (EACOP) TANZANIA INVITES YOU TO EMBARK ON A JOURNEY OF DISCOVERY THROUGH OUR EXCLUSIVE MASSIVE OPEN ONLINE COURSE (MOOC).

LAUNCHING ON THE 5TH OF JUNE 2023.

WHAT IS THE EACOP MOOC?

EACOP has developed a Massive Open Online Course (MOOC) aimed at providing basic mathematics and science education as well as specific training and information on EACOP activities and environment.

Our MOOC focuses on providing participants with a deep understanding on EACOP and the midstream Oil & Gas industry.

WHAT YOU NEED TO KNOW:

• WHO CAN PARTICIPATE IN THE MOOC?

Tanzanian youths aged between **18** and **28**, who have completed Secondary level and have a good understanding of the English language.

• COST OF PARTICIPATION:

Access to the MOOC is free, but internet access is necessary.

• MOOC AVAILABILITY:

The EACOP MOOC will be available from June 5th 2023 for a duration of nine weeks. There will be eight sessions followed by a session for the Final Quiz.

WHAT DOES THE TRAINING PROGRAM ENTAIL?

• DURATION

Approximately 30 months of extensive training.

• THEORETICAL CLASSES

Receive in-depth knowledge through comprehensive theoretical sessions.

• PRACTICAL SESSIONS

Gain practical exposure through hands-on training at Arusha Technical College, VETA Moshi, and UPIK in Kigumba, Uganda.

• ON-THE-JOB TRAINING

Experience real-world scenarios with international Oil & Gas production processing plants to enhance your skills before the final assessment.

• GRADUATION

Successful candidates will be assessed based on competencies by the Field Operations Teams (FOPS) and offered staff contract employment.

REGISTER NOW!

For this specific project phase, the MOOC will be launched only once and will be closed after the specified course.

Secure your spot by registering from June 5th to June 25th 2023 at:
<https://eacopmooc.com/register>.

Don't miss this exclusive opportunity!

Join the EACOP MOOC and shape your future in the dynamic Oil & Gas industry.
